ECZEMA CURED. I was afflicted with Eczema on the Scalp, Face, Rars and Neck, which the drugrist, where I got your remedies, prensunced one of the worst cases that had come under his notice. He advised me to try your Curicuna Resentes, and after five days use, my costp and part of my face were entirely cured, and I hope in another week to have my ears, neck and the other part of my face cured.
